

KR 527

Tabbing System

High speed, reliable tabbing from a name you can trust.

Proudly serving the mailing industry for over 30 years

Kirk Rudy offers what professionals demand:

PERFORMANCE

Just like other KR equipment, the KR 527 performs day in and day out. Production rates in excess of 35k tabs per hour combined with a roll capacity of nearly 50k tabs makes the KR 527 **the real deal** - productive, reliable and a proven track record with over 1500 units sold.

VERSATILITY

All major types of tabs as well as pressure sensitive stamps and labels of various shapes and sizes can be placed on a wide assortment of products. Right or left edge tabbing, bump turn attachments, wide label kits and a folder interface conveyor option makes the KR 527 a **truly flexible system** that can grow with your business.

VALUE

World-class manufacturing systems are used to help keep costs low. This means **you get more for your dollar with KR tabbing systems!** No other tabbing system matches the performance, versatility and economy of a KR 527. Realize a profit and performance edge with the KR 527.

RUGGED CONSTRUCTION

Designed and built to last by skilled craftsmen, the KR 527 is constructed in the same tradition as all our other mailroom products – heavy duty. A straight forward and trouble free design makes the KR 527 **simple to operate and maintain**. You can count on years of dependable service from your KR 527.
